Plaintiff,

v.

Case No.:
1:22-cv-01069

Honorable Manish S.
Shah

The Partnerships and Unincorporated Associations
Identified on Schedule "A", et al.

Defendant.

NOTIFICATION OF DOCKET ENTRY

This docket entry was made by the Clerk on Friday, April 15, 2022:

MINUTE entry before the Honorable Manish S. Shah: No defendants have appeared or objected to the motion for default judgment. The motion [24] is granted. Based on the evidence submitted in support of the temporary restraining order and the admission of liability by virtue of the default, plaintiff has established that a permanent injunction should be entered. The infringement of plaintiff's marks irreparably harms plaintiff and confuses the public. The infringement was willful and statutory damages are awarded. After considering the nature of the products, the price point, the absence of any concrete evidence of lost profits or high-volume infringement by defendants, the value of the plaintiff's brand, and the need to deter infringement that is easily committed and difficult to stop, the court concludes that \$100,000 is an appropriate award of statutory damages. Enter Default Judgment Order. Terminate civil case. Notices mailed. (psm,)

ATTENTION: This notice is being sent pursuant to Rule 77(d) of the Federal Rules of Civil Procedure or Rule 49(c) of the Federal Rules of Criminal Procedure. It was generated by CM/ECF, the automated docketing system used to maintain the civil and criminal dockets of this District. If a minute order or other document is enclosed, please refer to it for all information.
